

# WHITEFISH POINT BIRD OBSERVATORY'S BIRD-A-THON 2011

## Win a pair of Eagle Optics 8x42 Fury binoculars!

Take home this pledge sheet, get your friends and relatives to pledge to WPBO, and send it back to us. For each full pledge sheet we receive, your name will be entered in a drawing for the binoculars. (ex. If you send in 3 full pledge sheets your name will be entered 3 times). Please provide your name, address and phone # or email for the drawing.

## HELP SUPPORT OUR SUMMER OWL RESEARCH!

At the end of May, WPBO staff known as the "Northern Saw-whats" team will record the number of bird species seen in the Whitefish Point Peninsula area during a 24 hour time period. We hope to see about 110 species. You can choose to pledge per species or donate a fixed amount. All pledges collected will directly support the summer owl research at WPBO. Sponsors will receive a written account of our day, a species list and information on our summer research. Anyone who donates over \$150 will receive a juvenile saw-whet adoption package, including a photo of your owl, banding information, and adoption certificate.
